

**Magnetic Car Phone Holder
Telescopic Arm. Suction Cup System
SPCH-MAG-VNTX
User manual**

Features

The magnetic holder for the phone is equipped with an adjustable tightening system around the head joint with the 360-degree ball. The holder will keep the phone in place, safely. Made with attention to detail, with a telescopic arm, the magnetic support is adjustable both in length, by adjusting the arm, and horizontally, by rotating the arm at 180 degrees.

Technical details

Material: ABS+TPU+ Silicone+ Aluminum alloy+ 4 Neodymium Magnet N50
Telescopic arm dimensions: 160-240 mm
Color: black

Packaging content: magnetic car phone holder, 2 self-adhesive plates for the back of your phone

Instructions for use

1. Insert it into car air vent and put your phone on it.
2. You can transfer the magnetic car phone holder to any car easily.
3. The magnetic head is tiltable and rotating for unlimited viewing angles.
4. Press the two wings to open the arms of the holder.
5. When the phone is placed in the holder, touch the top of the phone slightly, so the arms will close automatically under the device pressure.
6. To release the phone, press the two side wings.

Precautions

Keep out of reach of children under 5 years of age and pets.

Protect the product from moisture. Do not expose this product to rain or damp air. Protect the product from liquids.

Protect the product from fire. Keep the product away from fire or other sources of heat (stoves, radiators, etc.)

Disposing the product. Do not dispose the product or the other plastic components with consumers waste. Use only specialized plastic waste collection centers.

Waste disposal:

The crossed-out wheeled-bin symbol on our product or packaging reminds you that, in accordance with local laws and regulations, your product and / or its battery must be disposed of separately from household waste/garbage. When this product reaches the end of its life, take it to a collection point designated by the local authorities. For information about the local collection centers, please contact the town hall of your locality.

Royal Computers declares under our own responsibility that the product conforms with the European directive EMC 2014/30/EU.
