2.1 Audio system with bass control and RGB

SPGS-HURRICANE-BT

Color your gear, your room, or your mood with this powerful and dynamic 2.1 gaming audio system! With a fashionable proven design and quality sound provides a great audio experience for all gaming applications. Separate bass and volume controls, conveniently placed on the MDF wooden subwoofer allow for quick and easy adjustments. You can play music through the USB port, microSD card or stream music from any Bluetooth-enabled device easy to pair (such as Android, iPhone, iPod, tablet).

Coloreaza-ti setup-ul, camera sau starea de spirit cu acest sistem audio pentru jocuri 2.1 puternic si dinamic! Cu un design modern si sunet de calitate ofera o experienta audio excelenta pentru toate aplicatiile de jocuri. Comenzile separate pentru bass si volum, amplasate convenabil pe subwooferul din lemn MDF, permit reglaje rapide si usoare. Poti reda muzica prin portul USB, cardul microSD sau de pe orice dispozitiv compatibil Bluetooth usor de asociat (cum ar fi Android, iPhone, iPod, tableta).
